A GLASS OF FLEIN ...

Flein is a single-variety grape juice of the highest quality. Three winegrowers from the Alpine region, all of them long-time friends, refine their region-typical grape varieties into juices which open up new dimensions of taste - either as an aperitif or food companion.

The grapes for Flein come from vineyards that were selected specifically for the production of the juice. The cultivation of the vines, like the harvest, is done carefully by hand. Gently pressed like champagne and pasteurised using the latest technology, Flein enables variety-typical aromas. Flein comes with a surprising freshness, elegance, and lively acidity.

MOSCATO GIALLO

The berries of the Moscato Giallo are large and compact, with an aromatic and spicy taste. The old, white grape variety has its origin in Northern Italy.

FOOD PAIRING

Aperitif, pasta, freshwater fish, Asian cuisine, grilled meats, dessert creations, etc.

JUICE DESCRIPTION

Bright straw yellow in the glass. Fresh grapes combined with yellow apple. Reminds of the mace. On the palate, refined acidity and delicate sweetness. Complex and yet easy-going.
